

Sydslesvig danske Ungdomsforeninger

WELCOME AS A VOLUNTEER AT ROSKILDE FESTIVAL 2026

I have registered at <http://people-vol.roskilde-festival.dk> and agree to the guidelines that apply to the festival as a whole and to the refund stations operated by SdU.

Benefits as a volunteer

- Brunch every day during the festival
- 4x meal tickets
- Please note that as a volunteer, you are covered by statutory work injury insurance provided by Roskilde Festival (this applies to all food handling, service, beer, and refund contracts).

Your shifts

- You must have a minimum of 4 shifts of 8 hours each.
- Arrive 15 minutes before your shift starts.
- Do not leave your shift until you are relieved.
- Always inform your team leader if you leave the booth.
- Be open to being moved between tasks and workstations.

*Special for team leaders*

- You must have a minimum of 3 shifts of 8 hours each.
- You must attend a one-hour morning meeting every day.

General requirements of Roskilde Festival

- Access wristbands are considered valuables and must be treated with the same care.
- If your wristband is confiscated, lost, or damaged in any way, you must immediately inform the booth's or association's responsible person.
- Lost access wristbands will generally not be replaced.
- It is required that you are not under the influence of alcohol or other substances while on shift. If a volunteer is dismissed for this reason, it will be considered as an absence, and the access wristband will be confiscated.
- It is forbidden to bring bottles into the bottle-free areas of the festival site.
- General safety rules must be followed.

Illness, absence, etc.

If you become sick or are otherwise unable to attend your shifts, you must do the following:

1. Ensure that your shift leader is notified as soon as possible.
2. Ensure that your access wristband is returned to the Check-in, which will register the date/time of checkout.

If you do not follow this procedure, Roskilde Festival will subsequently charge you DKK 4,500 for the ticket and register you as an undesirable volunteer for the next 3 years of the festival.

The same charge and registration will apply if you:

- Fail to show up for scheduled shifts without prior agreement.
- Are dismissed due to intoxication, drug influence, or any violation of the penal code that prevents you from fulfilling your duties as a volunteer according to the given guidelines.
- Display violent behavior during your work at the festival or are charged by the police for theft, assault, or vandalism in connection with your volunteer role.
